

CLAY COUNTY

PUBLIC HEALTH CENTER

Clinic Services Price List

Vaccines for Children (VFC)

Federally funded vaccines are provided at no cost to clients on Medicaid. Uninsured and underinsured pay a minimal administration fee per visit. To determine if you qualify, call (816) 595-4355.

Payment

We accept most major insurance plans as well as Medicaid and Medicare. If you are unable to afford a needed vaccine, please call for information on patient assistance programs at (816) 595-4355.

Prices Effective January 1, 2026
